Waiter service of all the drinks reception drinks included

Please Note

1. The prices are subject to minimum numbers of 250 guests, Should the numbers be less for the event, the prices are likely to be increased due to higher costs in running the bar
2. Serving of these drinks to tables are not included unless its package extraordinary, should you wish the waiters to serve drinks, Please do request for sommeliers/ Drinks waiters to serve drinks from the bar to table
3. Our drinks packages is carefully designed at a reduced rate keeping in mind that there are few guests who do not drink therefore the cost per person to budget occasions is assumed less as a whole

4. We also consider kids and assume a 5% reduction on the total guests number. for example if the wedding is for 300 guests we would charge you for 315 guests assuming 15 children (5%) in the event.
